DEDICATION: A tribute to someone who has given a great deal of time and effort to the class of 1984.

MOUNT SAINT JOSEPH ACADEMY
127-129 CONVENT AVENUE
RUTLAND, VT 05701

Dear Graduates of 1984,

It is with just pride that I extend sincere and joy-filled congratulations to you as you conclude your years of secondary education and begin the rest of your life.

Mt. St. Joseph is much the richer for your presence, your life and your love. I hope that you also have been enriched with the presence and love you have received.

As the famed DESIDERATA encourages, "Take kindly the counsel of the years, gracefully surrendering the things of youth" and "Beyond a wholesome discipline, be gentle with yourself."

May God bless you through the years and His presence be ever in your awareness.

Love and prayer,

Most Rev. Shirley Davis

PARENTS AND FRIENDS CLUB

The Parents and Friends Club is an organization dedicated to MSJ. It serves as a liason between the school and the parents and does a great deal of fund raising. This year the PFC has pledged to contribute \$75,000 to the school.

The most apparent of all the PFC's activities is the weekly bingo, held every Wednesday night in the school gym. This fall, with a jackpot reaching nearly \$3000, record numbers of people attended. The PFC also gave student organizations that worked at bingo half of the proceeds from the U-Pick-It games. Many clubs took advantage of this generous offer.

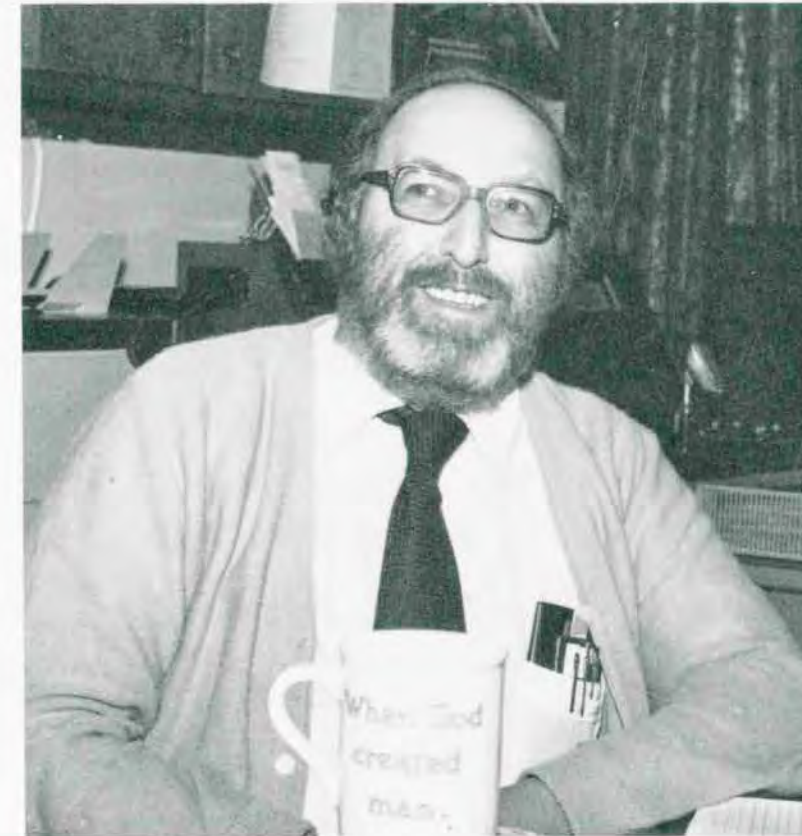

In addition to sponsoring bingo, the club contributes to the general maintenance of the Mount. The PFC is responsible for the new boiler that will be installed, the front doors, and the AV equipment. The Parents and Friends Club is certainly a vital part of MSJ.

This yearbook was digitized by volunteers from the

If there is a single word that can best describe Sr. Ruth Graystone, the word is TEACHER. As one who worked so tirelessly, gave so selflessly, and imparted knowledge so zealously, Sr. Ruth experienced great joy when she succeeded in sparking a student's interest and curiosity. For over five decades, she enriched the lives of countless students.

Sr. Ruth's dedication extended far beyond the classroom from her careful supervision at Science Fairs to her enthusiastic applause at athletic events.

We at MSJ will miss Sr. Ruth very much, but as Father LaValley reminded us while eulogizing Sister, in the Quantum Theory, energy is never lost only changed. Sr. Ruth's contributions have made our school and community a better place.

Drama has been a strong tradition at M.S.J. throughout the years. Of course, this year was no exception. Thanks to the diligent work of cast director Mrs. Bagley, the drama club has presented fall productions and State I Act Plays "Up the Down Staircase" and "The Life and Death of Almost Everybody."

We would like to emphasize the overwhelming participation in drama of M.S.J. students. From freshmen to seniors, the large group has proudly represented Vermont numerous times. Their quality productions are definitely a strong and everlasting tradition of fine arts at the Mount.

The M.S.J. Student Senate, consisting of four members from each class and a president elected by the student body, is a community oriented group which spends much of its time working for the students. The money which it raises is given out in scholarships at the end of the year.

The Student Senate's projects this year were all very successful. The Walk-a-Thon netted more than eleven thousand dollars for the school. Project Hand-in-Hand allowed some "gifted" children to enjoy a football game with students, and Project Help had a record year. The Senate also organized dances, the bloodmobile, and Spring Fling. It spent much time working with the administration for the good of the students.

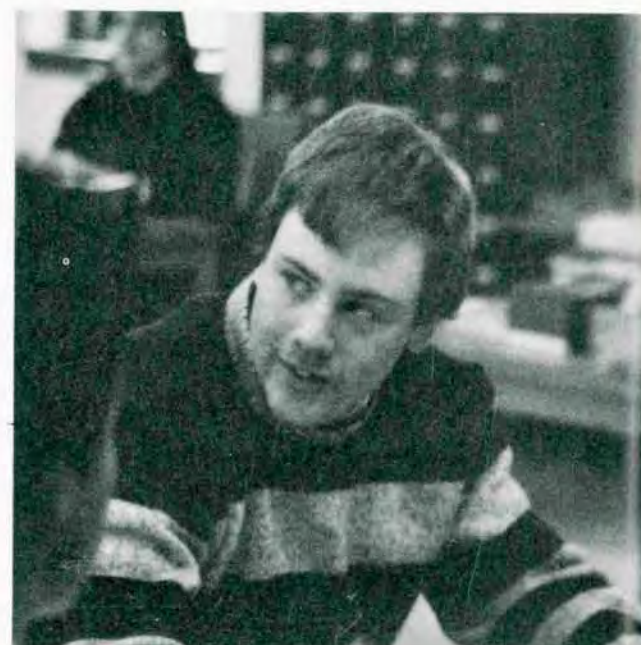

The Senate's moderators are Mrs. Baker and Mr. McCue. The officers are John Valente, president; Jenny Aldrich, vice-president; Stacey Parker, treasurer; and Jennifer Allen, secretary.

Mrs. Baker, advisor.

Mr. McCue, advisor.

John Valente, president.

STUDENT GOVERNMENT

Government: 1. That which governs (??) the student body. 2. An institution comprised of natural leaders who are eternally striving for the best class prom, the most rewarding Project Help, or the most pints of blood.

Although their work often goes unrecognized, the class officers lead their classes to many accomplishments throughout the school year.

The senior class concentrated mainly on fundraisers for the Senior Ball at the end of the year. Money making projects included two airband contests, a car wash, and Wednesday nights spent working at bingo.

The junior class, also in preparation for their prom, held a very successful bottle drive and an airband.

The class of '86, working towards their Sophomore Hop, also held a bottle drive. At Christmas they showed their appreciation of the faculty by buying them gifts with treasury money.

This year's freshman class, which will be the 100th MSJ graduation graduating class, established the JEFF GONYEA MEMORIAL TROPHY, in memory of their classmate, which will be awarded to a freshman football player who shows all around effort on and off the field. The freshmen also made a trip to the Boston Science Museum for an educational visit.

All classes worked at Wednesday night bingo for the benefit of the Scholarship Fund.

The title left me
with a slight suspicion
'twas "England in Literature"
the Macbeth edition.

Without further ado
we got down to action,
with a few general facts
about the Anglo-Saxon.

We read very smootly
(without any major pains)
the adventures of Beowulf
and his loyal thanes.

As soon as that was done
we took off in a rage,
to the following period
the Medieval Age.

The next work of literature
to which we set our sails
was constructed by Chaucer
called The Canterbury Tails.

Before we could pause
to take a breath,
we flipped the page
to the tragedy of Macbeth

Things come in pairs
such as ladies and bonnets,
but in literature it is
Shakespeare and his sonnets.

Folks liked their poetry
but didn't know how to show it,
so in the 17th century
came the Metaphysical Poet.

At this stage of the text
I was in total shock,
for who in his right mind
would "rape a lock??"

Despite my condition,
I had to move on,
to the next story in line
Canto One of Don Juan.

That's where we stand now
and there's more to cram,
the thing that worries me
is the final exam!

My poem is done
and brought to a boil,
I think I should've titled it
"Life with Mrs. Coyle"!!!

SPORTS . .

SPORT: 1. Any activity in which we can display our considerable athletic prowess. 2. That which yields much of that Mountie spirit.

ATHLETIC ASSOCIATION

ROW 1: B. McDonough, B. Marro, President; A. Maniery, B. Godnick, Vice-president; C. Clarino, Treasurer; A. Flory, K. Eddy, Secretary; J. Cioffi, D. Carrier. ROW 2: A. Musella, S. Falco, S. Rizziere, B. West, B. Abatiell, G. Fitzimmons, F. Caggige, R. LaMoria, S. Wilk, A. Manfredi, D. Stinowski, T. Fusco, L. Eno, C. Fucci, D. Ruby, A. Stratton, H. Spafford, J. Creed.

... AT THE MOUNT

Sports are a vital part of the Mount. This year has particularly exciting as all of the teams had very good seasons.

FOOTBALL

Under the expert coaching of Mr. Cioffi and Mr. Zingali, the Mounties played an impressive season which included a State Game. This game, played on a cold and rainy night in November, was the grand finale which ended in victory for the Mounties. They made mincemeat of the undefeated Essex Hornets with a score of 28-6, and the Acads concluded their season at 7-2.

SOCCER

Led by coaches Patty Job, E.J. Bishop, and Murry McGrath, the Mountie girls finished the season with a record of 5-8-1. This record, however, is disillusioning, since the team was very talented, with junior fullback Odie Thompson named to the All-Star team.

GIRLS' FOOTBALL

Practicing every Sunday, coached by senior boys, the senior girls played a hard game against the Rutland team but went down to defeat, 6-0. It was a good effort on the part of the Mounties.

CROSS COUNTRY RUNNING

The Mountie Cross Country running team had an excellent year, running off with the Marble Valley League title for the season. Tom Heffernon coached the team to the victory.

GIRLS' BASKETBALL

Although participation was limited, the team had a very successful season, nearly reaching the playoffs but for a loss against Burr and Burton. Freshman Kim Levins was the second highest scorer in the MVL, and Coach Ron Rideout looks forward to many promising seasons in the future.

BOYS' BASKETBALL

With the enormously talented Rob Parento, the Mounties had a terrific season. At this time, the team is seeded fourth going into the playoffs with a 9-4 record, tied with Rutland, Brattleboro and Hartford for second place in Southern Vt. Dave Kinsman, in his first year of coaching at the Mount, has led the team through the season.

HOCKEY

The hockey team also had a successful year. With a 9-5-1 record, the Mounties made the playoffs and advanced to the semi-finals, before losing in overtime to Hartford, 4-3. Jim Larkin coached the team.

SKIING

Seniors Mari Omland, Kirsti Wis Wilson, Chris Hurcomb, Lisa Thomas, and Pete Giancola all skied brilliantly this season. Both the boys' and girls' teams captured the Vt. alpine and cross country combined title, a first for MSJ.

Sports fans at the Mount look forward to continued success from the spring sports teams this year, and from all teams in the years ahead.

YEARBOOK: 1. A long narrative story written in elevated style relating the deeds of noble or semi-divine personages. 2. The result of numerous hours of dedication by the notorious yearbook editors.

EDITOR: 1. One who enjoys spending countless hours cramped behind a desk in a small green closet while striving to perfect a book that will be remembered for years to come. 2. One who experiences heart palpitations at the mention of the work word "deadline".

YEARBOOK EDITORS 1984

Jennifer Aldrich, Editor-in-Chief

Barbara McDonough, Assistant Editor

EDITORS' MESSAGE

It is difficult to write a message without repeating sentiments that other yearbook editors have expressed in previous years. Apparently they felt the same feelings we did as we worked throughout the year: anxiety and anticipation before the deadlines and satisfaction and relief after deadlines were met.

We have worked hard to create a yearbook that we feel best exemplifies the spirit of MSJ. We hope that spirit will be evident now and twenty years from now.

ROW 1: B. McDonough, J. Aldrich. ROW 2: B. Foley, M. Valente, L. Thomas, C. Halpin, M. Gallagher, C. Anderson, M. Aquistapace, H. Kingston, K. Woods, K. Thorne. ROW 3: K. Rizziere, L. Beatty, B. Thomas, D. Nagy, K. McGarry, S. Vargas, M. Socinski, L. Chioffi, M. Omland, L. Tatro, M. Tomasi. ROW 4: K. Wing, R. Alexander, T. Ponton.

Although many people have a part in the composition of a yearbook, often their time and effort go unrecognized. We would like to take this opportunity to thank some of these people, without whom the yearbook could not have been completed:

Mr. Gary Bouchard, for his excellent photography. His patience with our time limits, close deadlines, and unusual requests was phenomenal.

Mari Omland and Karen Perry, our student photographers. They were always ready and willing when we needed them.

The entire office staff for their patience with our seemingly endless paging requests.

Mr. Mark Saks, our Jostens representative. He answered all of our many questions and eased our apprehensions.

Mr. Mark Zajac, our unofficial "copy" editor.

The Rutland Herald and The Rutland Weekly Observer, for their generosity with their pictures.

Finally, Mr. Michael Dwyer and Mr. John Sanborn, our advisors. Mr. Dwyer guided and assisted the editorial board throughout the year while Mr. Sanborn handled the financial aspects of the book.

To these and the many others who in some way assisted us in the completion of this yearbook, we would like to express our sincere thanks.
